

Help Keep Heath Beautiful!

- To ensure trash collection, please set your garbage out by 7 a.m. on your assigned day.
- Please do not put your poly carts and other trash out at their collection point until after 6 p.m. on the night prior to your collection day.
- Please bring your empty poly carts back from their collection point by 6 a.m. the day after your collection day.

Your Recycling Efforts Make a Difference:

- Extracts valuable materials out of garbage to make new products.
- Conserves natural resources to help sustain the environment.
- Reduces the need for landfills and incineration.
- Saves energy.
- Prevents pollution caused by the extraction and processing of virgin materials.
- Recycling is EASY and CONVENIENT with your 64-gallon rolling poly cart provided by the City of Heath.

Special Services

Non-Routine Collection

Customers may occasionally have trash in an amount greater than what is covered by regular collection services. IESI will provide special collection on those occasions for an added fee. Please contact IESI to make collection arrangements.

Carry-Out Collection

For an additional monthly fee, a customer may set garbage and recycling out near their home, not at curbside, for collection. For Carry-Out Collection Service, all garbage and recycling MUST be: contained in the poly-carts; visible from the street; not more than 75 feet from the curb; and not located behind a closed gate. Please contact Heath City Hall to request this service.

Assistance for the Disabled

The City of Heath will provide Carry-Out Collection Service (see above) for the disabled at no additional charge. To request the special assistance, customers should contact City Hall to certify that due to a disability, no one in the household is capable of placing the polycarts at the curb.

Holidays

If collection is impacted by a holiday that falls on a Monday or Tuesday, the City of Heath will publish special collection schedules in the newspaper and at www.heathtx.com.

Monthly Unbundled Brush Collection

Brush and limbs that are not bundled or exceed the weekly size limit of four feet in length will be collected on the 2nd Monday of each month.

To guarantee pick up of unbundled brush, please call or e-mail the City of Heath at 972-771-6228 or customercare@heathtx.com. Please make your request by the Friday prior to the 2nd Monday and be sure to provide your address.

Recycling

77% of Household Waste is Recyclable!

Items Accepted for Recycling:

- Mixed Paper (newspaper, office paper, magazines, junk mail)
- Plastic Bottles and Jugs
- Glass Bottles and Jars - all colors mixed
(no plate glass, mirrors or ceramics accepted)
- Aluminum and Tin Cans

Disposing of Old Trash Bins

The City of Heath's trash collection services include one 94-gallon rolling poly cart with a lid for trash collection and one 64-gallon rolling poly cart with a lid for recyclables.

To dispose of your old trash bins, please label them as "TRASH" and set them out at your collection point on your assigned trash day. The 18-gallon, blue recycling bins will be collected by Allied Waste on January 31 with your recycling.

Additional Poly Carts

If you consistently have more trash than will fit in one 94-gallon poly cart, you are encouraged to sign up for a second poly cart for an additional \$6.29 per month.
