IMPORTANT INFORMATION ABOUT YOUR RESIDENTIAL OR COMMERCIAL ALARM SYSTEM

New Alarm Permit Requirement

On September 16, 2008, the Heath City Council ordained that effective January 1, 2009, anyone responsible for the operation of or in possession of an alarm system in the City of Heath will be required to obtain a permit for operation of such system. The permit will be renewed each year. A penalty of \$200.00 may be assessed if the alarm system has not been registered for a permit. The permit requirement applies to monitored and non-monitored systems.

For purposes of this ordinance, vehicle alarms and alarms designed to alert only the inhabitants of a premise, i.e. smoke alarms, are not considered an alarm system and do not require a permit.

False Alarm Tracking

Alarm calls will be tracked to identify when systems have not been properly registered or when an alarm system results in excess of three false alarms per calendar year.

Penalties for alarm calls in excess of three false alarm calls per calendar year range from \$50.00 to \$750.00 per occurrence; depending upon the type of alarm system and number of false alarms. There are no penalties for the first three false alarm calls.

Applying for an Alarm Permit

Applications may be obtained at www.heathtx.com or at City Hall, 200 Laurence Drive, Heath. An application may also be obtained by mail by calling the Heath Department of Public Safety at 972-961-4900. Please complete the

application and return with a check for the appropriate amount. If you mail in your registration, a receipt will be returned to you by mail if requested. Please make your check payable to **City of Heath**.

Annual Fee for an Alarm Permit

The residential permit fee is **\$35.00/year**. The commercial permit fee is **\$50.00/year**.

The permit is good for a calendar year and must be renewed annually by or upon the expiration date. A separate alarm permit is required for each street address and each system.

Alarm permits are not transferable to other individuals or businesses. Should you change your home or business location, your permit automatically expires and the new owners will be responsible for a permit upon occupation of the property.

Failing to Apply For a Permit

Citizens or businesses that do not apply for a permit are subject to a non-registration penalty of \$200.00.
