## HEATH FARMERS MARKET RETURNS

The Heath Farmers Market, together with the generous sponsor Heath Golf & Yacht Club and Rob Whittle, will return for its Fall 2021 season. Mark your calendars for a very special Opening Day on Saturday, October 16, when the path of Towne Center Park will again be lined with the very best local vendors, makers, shakers, artists, growers, farmers and ranchers.

The Heath Farmers Market Concert Series also returns on October 16 and will have the distinct honor of kicking off with the beloved Eleven Hundred Springs, in what will be their final show before riding off into the sunset. All other EHS final shows are sold out, so this is your opportunity to see them with friends and family, free in the field.

The Fall 2021 season will run from October 16 through November 13, markets are 2 to 6 p.m., concerts are 6 to 8 p.m. Watch for more details in next month's newsletter and other local media. Interested vendors should contact Jenny Timberlake Bellamy at [jtb219@gmail.com](mailto:jtb219@gmail.com).

## TXDOT CONSTRUCTION UPDATES

You can stay informed on the I-30 and I-635 construction project progress, lane closures and traffic changes by signing up for TxDOT text alerts. Send the message "635 East" to 1-833-499-6353. You can also sign up for e-blasts by scanning the QR code above.

## MARSHA'S HAPPY HAVEN NEEDS YOU!

Ginny Jackson and Gini Sealy are working hard work to raise private funds for Marsha's Happy Haven, an all-abilities park slated for a 0.54 acre parcel of land at Terry Park. While the pandemic has put a damper on their efforts, the need for a safe place for all children to play together outside is greater than ever. These dedicated citizens are seeking a sponsor for an upcoming fund raising event to be held at the future park site. You can contact Mrs. Jackson directly at [jacksonvirginia615@gmail.com](mailto:jacksonvirginia615@gmail.com). You can also make a donation today at [marshashappyhaven.com](http://marshashappyhaven.com) or in person at Heath City Hall.

## HEATH DPS IS ON A ROLL

Many new initiatives have occurred under the leadership of Heath DPS Chief Brandon Seery, including the launch of a new bike patrol! Watch for officers in your neighborhood and give them a wave! They are always happy to stop for a quick visit and photo with the kids.

## PLANNING FOR THE FUTURE

The City of Heath continues to work with the consulting firm of Kimley-Horn to develop a design for the Heath Towne Center, also known as the Towne Center Overlay District, and a design for Towne Center Park. A final Towne Center Park concept plan has been approved by the Park Board and the Heath Economic Development Corporation/Heath Municipal Benefits Corporation (HEDC/HMBC), which dedicates 25% of its annual revenue to park and community improvement investments. City Council will discuss and take action on the plan at its August 24 meeting. You can keep up to date on these important initiatives at [DesignHTC.com](http://DesignHTC.com) or by scanning the QR code.

## PROTECTING SENSITIVE CUSTOMER INFORMATION

In an effort to protect sensitive customer information from predatory practices, the Texas State Legislature passed H.B. 872 that applies to information held by the City relating to water, wastewater, sewer, gas, garbage, electricity, or drainage service. Effective immediately, the City of Heath cannot disclose information relating to customer accounts including address, usage and disconnections. You may request the City to release this information in response to a public information request by filling out the Utility Disclosure Form, which can be found at [heathtx.com](http://heathtx.com) under the Utility Services page.

## CHRISTMAS TREE LIGHTING FESTIVITIES RETURN DECEMBER 3

It may still feel like summer, but the Special Events Board is already making plans for the annual Christmas celebration in Towne Center Park. So save the day for Friday, December 3, and watch for more details coming soon.

## THANK YOU PATH MEMBERS

If you enjoy taking your pup for a walk in the park, you'll be happy to know there's a new water bottle filler with a pet bowl in Towne Center Park, thanks to the Parks And Trails of Heath (PATH) fund raising program. The fountain plus five new park benches and 25 shade trees for Towne Center Park was the first completed PATH project, but there's more to come thanks to great citizen support.
