To the Honorable Mayor Elam, Members of the City Council, and residents of Heath:

I am pleased to present the City of Heath Annual Budget and Capital Improvement Plan for Fiscal Year 2022 (FY22). The Annual Budget outlines the programs and services provided to our residents. This document details the City's plans relating to ongoing commercial and residential growth, maintaining high quality city services, and implementing the City Council's goals and objectives including:

- Plan and prepare for the current and future needs of a growing city by maintaining a financially sound and stable government, managing growth and development, encouraging economic development, and identifying and addressing infrastructure needs.
- ✤ Achieve excellence in city government services by encouraging communication and citizen involvement, providing quality customer service in all departments, and attracting and retaining highly qualified employees.
- Promote livability and community pride.

City staff develops the operating and capital budgets so that the strategic goals and longterm objectives defined by the City Council are achieved. The Council's vision charts the course for the community, and it is staff's job to move in that direction through budgeting and project implementation.

Accomplishments

- Community Development completed and submitted the renewal application for the Texas Scenic City Designation. Staff provided additional information to qualify for the Platinum status; an upgrade from the current Gold status.
- City Administration initiated and executed a professional services agreement with Kimley-Horn to develop a master plan for the Heath Town Center Overlay District. The Economic Development Corporation and the Municipal Benefits Corporation funded the project.
- Improved network and web access at City Hall, enhancing the transfer of network data to a cloud-based server.
- The Parks and Trails of Heath (PATH) fund-raising program has raised over \$40,000 and completed its first slate of projects. Adding shade and seating to city parks and trails was identified as a priority. The PATH project added 25 trees and five seating areas in the Towne Center Park.
- DPS implemented the Citizens on Patrol (COP) program to encourage citizen involvement in the community. Upon completion of the 6-week COP program, citizen volunteers will assist Heath DPS in many important ways including traffic control and safety during city events and community outreach activities.

- DPS added a bicycle patrol unit in 2021. This unit is used for neighborhood patrol, community policing and special events rapid response.
- Public Works maintained uninterrupted water and sewer services during the major storm event in February.

Budget Philosophy

The City of Heath and our employees operate from an internal value system that is centered around servant leadership with exceptional customer service. All actions stem from the obligation to put the needs of the citizen first and dedicate our decision making and actions to the ideal that City employees are here for one reason – to serve others. This is the fundamental foundation upon which departmental budgets are built.

The budget philosophy of the City of Heath is to provide the highest level of service at the greatest value. This means that the City must operate in the most effective and efficient ways possible to accomplish our goal. The internal budgeting and review process is very stringent and thorough, with department heads, finance, and city management ensuring that every line item is carefully planned and all projects are justified.

As part of the City's budgeting philosophy and commitment to respect the Taxpayer's money, priorities in the budget process include:

- Cost Containment Operating at high efficiency;
- ✤ Maintaining a stable and low property tax rate;
- Planning for the future of infrastructure and asset management;
- Accounting for high levels of quality of life;
- Maintaining healthy fund balances and reserves; and
- ✤ The hiring and retention of highly qualified city staff.

City Wide Budget Overview

The proposed total annual budget for FY 2022 is \$26,381,700 excluding capital projects. This is \$1,450,900 or 5.8 % greater than the 2021 amended budget of \$24,930,800. In FY 2022, the General Fund includes a 4% increase in salaries; a 7% increase in health insurance; and the addition of a Public Safety Officer. Additional funding for street repairs; new employee on-boarding; special events and the Farmers' Market. City Council is committed to partially funding capital purchases on a pay-as-you-go basis. To accomplish this goal the following funds were established: a Drainage Fund; Equipment Replacement Funds; and a Fire Station Building Fund. The FY 2022 Proposed Budget includes transfers totaling \$1,398,600 to the aforementioned funds.

The Water and Sewer Fund budget includes funding for a 4% increase in salaries; a 7% increase in health insurance and the addition of one utility maintenance position. NTMWD provides water and waste water treatment to the City of Heath. The cost for the services provided by NTMWD did not increase this year. Additionally, City Council established an Equipment Replacement Fund for the purchase of utility equipment and committed an additional \$1,417,500 for improvements to utility infrastructure.

Revenue

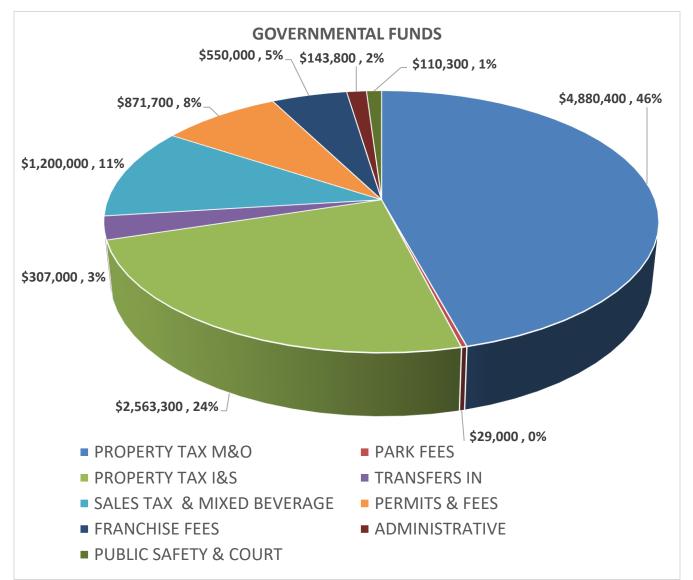

Governmental Funds

General Fund

The General Fund is used to account for all financial transactions not properly included in other funds. The principal sources of revenues include property taxes (M&O), sales and franchise taxes, licenses and permits, and fines and forfeitures.

Debt Service Fund

The debt service fund is used to account for the payment of interest and principal on all general obligation bonds and other long-term debt of governmental funds. The primary source of revenue for debt service is property taxes (I&S).

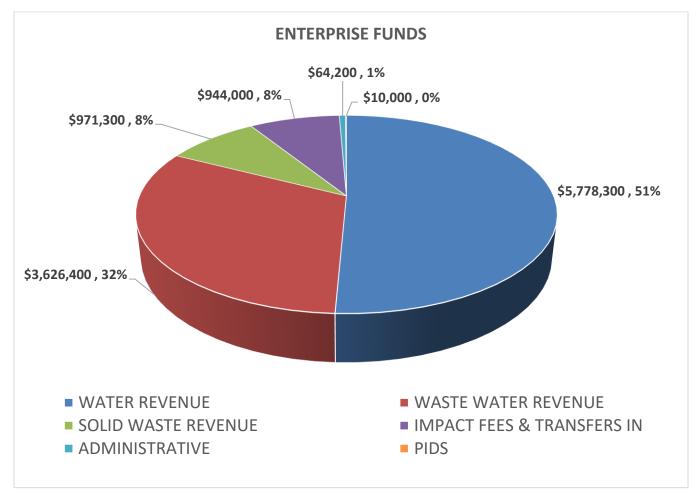

Enterprise Funds

Utility Fund

This fund is used to account for the provision of water and waste water services to the residents of the City. Activities of the fund include administration, operations and maintenance of the water and waste water systems, water collections and treatment. The fund also accounts for the accumulation of resources for the payment of long-term debt. All costs are financed through charges to utility customers.

Solid Waste

This fund is used to account for the provision of solid waste services to the residents of the City. This function is provided by a third-party waste management company. The cost of providing the service is recouped through charges to utility customers.

Property Values and Tax

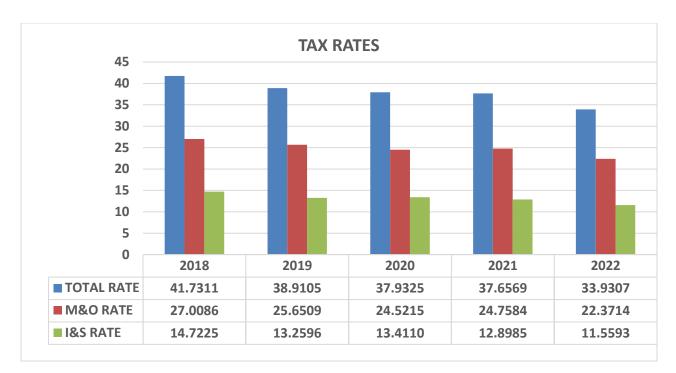

According to the Rockwall County Central Appraisal District (RCAD), the certified taxable value after deducting the homestead exemptions and the senior tax freeze is estimated at \$1,763,147,282. This value is 9.9% or \$159,030,451 more in assessed valuation than the prior year adjusted taxable value of \$1,604,116,831. Of the total taxable value, \$64,372,395 is attributable to new improvements added to the tax roll. The value of new improvements becomes very important because when calculating the no-new-revenue tax rate and the voter-approval tax rate, new taxable values are deducted from the calculation. The following graph reflects historical growth in taxable property values including the current year certified value:

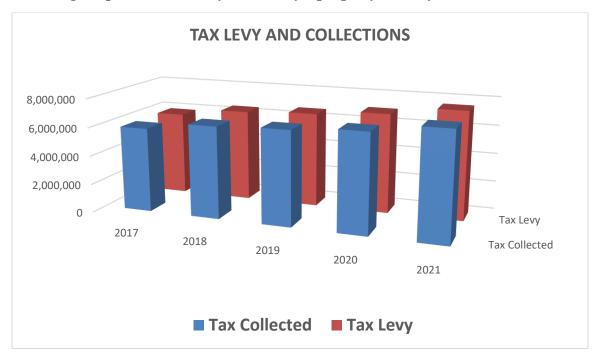

Proposed Tax Rate

The Council has a goal of keeping the tax rate low while providing adequate revenue to fund the needs of the community now and into the future. This year the City was able to reduce the overall tax rate 3.7262 cents, for a proposed total tax rate of 33.9307 cents. The M&O tax rate decreased 2.387 cents and the I&S tax rate decreased 1.3392 cents.

The City Council was able to maintain a low stable tax rate and prepare for its future obligations by adhering to the City's long and short-term operational plan as a result of taking a fiscally conservative approach to City services. The tax rate still provides an anticipated revenue increase in the tax levy for both operations and debt service commitments. Of the new tax rate, 22.3714 cents or 65.9% is dedicated to maintenance and operations (M&O) in the General Fund, and 11.5593 cents or 34.1% is dedicated to general obligation debt service. The following graph is a historical snapshot of the City's tax rate history for operations and debt service:

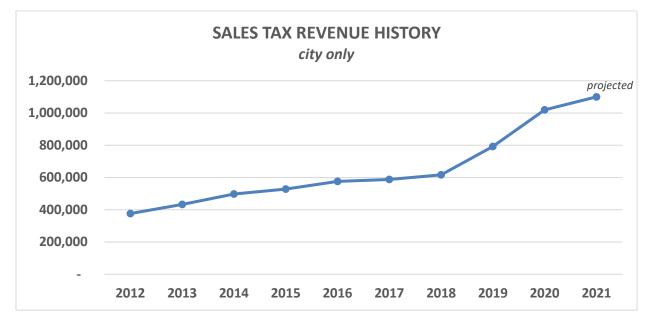

The average single family home taxable value is currently \$570,930 compared to \$544,886 last year. At the proposed property tax rate of \$0.339307, the City tax paid on the average single-family home will be \$1,937.21. For comparison purposes, City tax paid on a single-family home valued at \$500,000 will be \$1,696.54. The tax bill for a person 65 years of age or older or disabled is frozen in the year they become eligible. The following snapshot is a history of the City's property tax levy and collections:

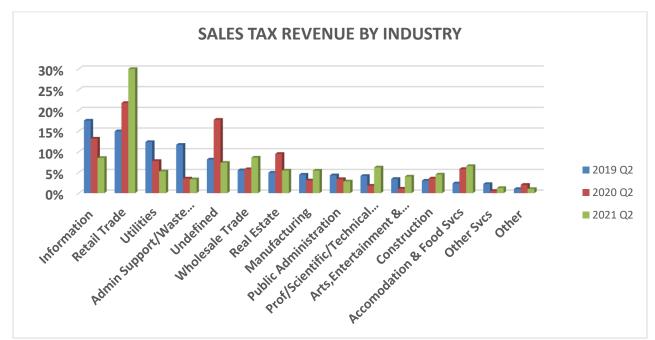

Sales Tax

Sales tax revenue has increased \$723,600 or 192% since 2012 and is expected to continue to grow. Recent growth is largely attributable to a strong regional economy and commercial development in the City.

The top five industries make up 62% of the sales tax revenue the City receives annually. The Retail Trade sector increased 15% compared to 2019 and provides 30% of total sales tax revenue. Retail includes various stores and electronic shopping. Information and Wholesale Trade make up 9% and 9% of total revenue, respectively. Additional information regarding sales tax by industry is provided in the chart below.

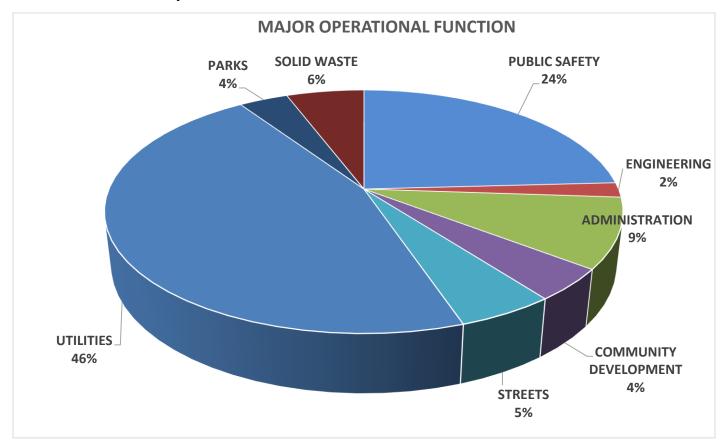

Operating Expenditures

The operating budget is a combination of all costs to do business except for major capital improvement projects (CIP), capital transfers and debt service payments. The total of the combined operating budgets for the FY 2021 budget is \$16,301,900 compared with \$16,589,000 budgeted in FY 2022. This is an increase of \$287,100 or 1.76%. Operating costs are broken down in the following chart for the City's core operating funds comparing this year to last year:

| Operational Function | FY 2021 | FY 2022 | Change | % Change |
|--------------------------|--------------|--------------|-----------|----------|
| Public Safety | \$3,727,200 | \$3,885,700 | \$158,500 | 4.25% |
| Administration | 1,475,200 | 1,497,500 | \$22,300 | 1.51% |
| Streets | 923,400 | 830,500 | (92,900) | -10.06% |
| Community Development | 701,000 | 685,800 | (15,200) | -2.17% |
| Parks | 593,300 | 587,300 | (6,000) | -1.01% |
| Engineering | 314,100 | 314,200 | 100 | 0.03% |
| Municipal Court | 59,400 | 69,100 | 9,700 | 16.33% |
| Utility (excluding debt) | 7,262,500 | 7,370,900 | 108,400 | 1.49% |
| Solid Waste | 920,100 | 960,200 | 40,100 | 4.36% |
| EDC (excluding debt) | 163,400 | 166,700 | 3,300 | 2.02% |
| MBC (excluding debt) | 161,800 | 193,100 | 31,300 | 19.34% |
| TOTAL | \$16,301,400 | \$16,561,000 | \$259,600 | 1.59% |

The increase in Public Safety results from the addition of one public safety officer and the cost of training and uniforms for three officers needed to fill vacancies. The FY 2022 Streets budget appears to have decreased because the FY 2021 budget was increased \$80,000 to complete a project started in FY 2019. The Utility Fund budget increased due to the addition of one utility maintenance position and increases in health insurance and salaries. The Solid Waste budget increased because of growth and MBC added the cost of mowing and maintaining property owned by the MBC.

The following chart reflects the percentage of cost of operations by major operational function of the City:

The largest increase in operational costs over last year's adopted budget are as follows:

- ✤ Salaries and Benefits,
- ✤ The addition of one Public Safety Officer, and
- ✤ The addition of one utility maintenance worker.

One Time Expenses and New Programs

The significant one-time expenses that are included in the budget for the current year are as follows:

- ✤ Equipment Replacement Funds,
- ✤ Fire Station Building Fund,
- Transfer to CIP for Street Improvements,
- ✤ Utility System Infrastructure,
- ✤ Mobile Light Tower,
- ✤ Mobile Generators, and
- ✤ 10 Hand-Held Radios.

Significant Capital Improvements

- McDonald Road Phase 2 Completed reconstruction of the road from Rabbit Ridge to the end of Falcon Point Subdivision;
- Hubbard Drive Trail 10-foot trail from FM-740 to the McCrummen Subdivision, construction is 99% complete;
- Yankee Creek-Myers Roadway Improvements Completed reconstruction of the road from Myers/Crisp intersection to Drew Lane; and
- ✤ Haciendas Del Lago Completed street, drainage, sewer and water projects.

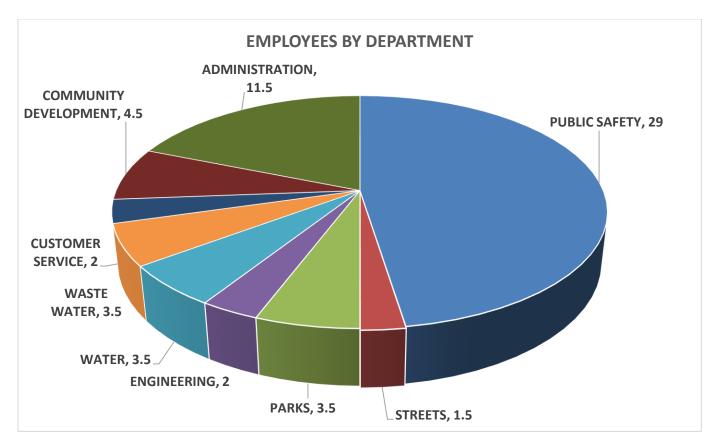

Fund Balance and Reserve

The proposed budget estimates that the General Fund unassigned fund balance will be approximately \$3,773,687 or 40% at the end of the 2022 fiscal year. Fund balance in excess of 35% may be used on one-time purchases.

The Utility Fund is projected to end the fiscal year with an unassigned fund balance of \$5,072,079 or 42% of budgeted expenses.

Public Servants (Employees)

The total number of budgeted employees or FTEs (Full-Time equivalents) is 61. For a salary with benefits cost of \$6.69 million (includes funded, but vacant positions) in FY 2022. The following chart is a break-out by service area across the City:

The City will experience cost increases in personnel due to an increased cost of insurance premiums, TMRS, and pay increases. In 2022, the budget for raises is 4%. The actual increase in pay is dependent upon performance evaluations and averaged 3.5% in 2021. Insurance costs are estimated to increase by 7%.

Summary

I want to thank the Mayor, City Council and staff for their hard work and dedication as they identified and implemented realistic solutions together.

Our organization is in a position to continue to address the current and future needs of a growing community where residents enjoy an exceptional quality of life and existing businesses thrive.

The City of Heath is an exceptional city with a bright future. We look forward to doing great things together in this fiscal year and beyond.

Respectfully submitted,

Aretha Adams, MPA City Manager
