**PARKING VARIANCE APPLICATION
For Parking in Residential and Agricultural Districts**

APPLICANT INFORMATION:

Name (printed): _____

Property Address: _____

Email Address: _____

Telephone Number: _____

The following information pertains to the location for which the variance is being requested:

Street Address: _____

Legal Description (attach if necessary): _____

I hereby certify that this application is complete per the requirements of §71.13 (I) of the Heath Code of Ordinances. I understand this variance will be considered by the Heath City Council following a public hearing. It is necessary to have a representative present at the City Council meeting who is authorized to discuss this request. A Notice of Public Hearing will be mailed to all property owners within 500' of the subject property.

Applicant's Signature _____ Date: _____

The following checklist is a summary of requirements for parking variance requests. The applicant should refer to the Parking Regulations in Ordinance No. 210727A attached to this application and other ordinances, maps, and codes available at City Hall and on the website at www.heathtx.com that may pertain to this parking variance request. In addition to paper submittals, electronic copies attached to an email addressed to AFarrell@heathtx.com will be accepted. Graphics should be in a .pdf format.

- Completed Parking Variance Application
- Dimensioned site plan drawing showing the location of all parking areas on the subject property. Indicate the paving material of each parking area. The site plan shall also show the location of any buildings, landscaped areas, and street right-of-way on the property.
- Completed Demonstration on page 2 of this application
